Any Oregon or Southwest Washington residential homeowner can qualify! Simply purchase the qualifying Ruud heat pump system (UP20 / RP16 / RP15: heat pump, heat strip, pad, thermostat and line set or line set flush) from a qualifying Ruud Pro Partner to receive a matching Ruud electric furnace FREE. Cost of installation is additional. *Note: New construction and commercial projects excluded. This promotion cannot be used in conjunction with any other offers. Additional local incentives may apply.*
